Re.: Relevant Event

Please be advised that on the date hereof Banco Macro S.A. has been served notice of a class action suit entitled “Asociación por la Defensa de Usuarios y Consumidores (ADUC) vs. Banco Macro S.A. on Summary Proceedings” (Court File # 35445/2015).

The plaintiff challenges the alleged receipt of a fee or masked charge on transactions made by consumers abroad by using credit and/or purchase and/or debit cards including purchases through the Internet, claiming the cessation of such behavior and seeks for the reimbursement to all customers allegedly affected of all amounts charged under such description plus interest.

The lawsuit is pending before the Court of First Instance in Commercial Matters # 25, Clerks’ Office # 49.

Banco Macro S.A. considers there is a low probability that it gets an unfavorable decision in this dispute, and even if that is the case, it shall not have a significant impact in its financial position.

Sincerely,

Jorge Francisco Scarinci
Chief Financial Officer
