Re.: Relevant Event – Inclusion in BYMA’s Corporate Governance Panel

I write to you in my capacity as Head of Market Relations at Banco Macro S.A. (hereinafter referred to as the “Company” and/or “Macro”) in order to inform that the Company has been included in the special stock trading board known as Corporate Governance Panel (hereinafter referred to as “CG Panel”), in which it was invited to participate. BYMA’s Corporate Governance Panel is a market segment formed by companies who adhere to good corporate governance and transparency practices that are additional to the standard regulatory requirements set forth by the Argentine legislation and commit to the periodic monitoring thereof.

CG Panel standards are aimed at improving the disclosure of information to investors when it comes to exercising their rights or investing, strengthening the visibility of the Company and making it more attractive for international investors.

Sincerely,

Jorge Francisco Scarinci
Chief Financial Officer
